Dear Mr. Cooksey:

Attached are the 2 Power To Inspect and Copy for the above patent applications.

'579 is one of the parent cases of '402. It has been abandoned and I do not have its title.

The attorney on record for '402, Mr. Don Stout, has signed both Powers. (Sorry, I thought I have the Power for '402).

Since neither Mr. Stout nor I am on the Power of '579, if you have trouble accessing it, you may want to speak with Examiner Ungar at 703 305-2181. I filed the last amendment of '402. On 8/4/99, I told Examiner Ungar and she approved that I would send someone over to copy both files.

Please note that '402 is in the process of being abandoned for failure to respond by a prior law firm.

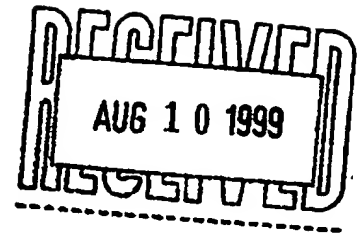

Please expedite the matter and send the materials to me at the above South Pasadena address by FedEx (no need for Sat delivery) to arrive by the middle of next week.

Thank you.

Sincerely,

Wean Khing Wong
